

Mary Allen College Juneteenth Celebration Day

Mary Allen College
Est.1886

Sharing the Past  *Shaping the Future*

The Mary Allen Museum of African American Art and History, Inc, cordially invites the public to celebrate Juneteenth National Holiday Day on the college hill with a photo at the historical marker recognizing the Presbyterian Church who established Mary Allen Seminary/College in 1886 for freed Negro/African Americans to attend. US Congressman Kevin Brady sent a US flag and Representative Trent Ashby sent a Texas Flag to honor the Juneteenth National Holiday and to fly the flags on the College Grounds Ruins. *The Community photo will be sent in recognition of the holiday to both of their offices.*

“The **Flag** of the United States of America is a symbol of freedom and liberty to which Americans pledge their allegiance.” CROCKETT Join in the celebration of our legacy with a historical Community Photo.

February 18, 2022
